

STEP BY STEP GUIDE

Our Step-by-Step Guide to selling your home quickly is the basis on which all of our quick house sales are processed upon:

- Make contact with us at Easy Move 24.
- Within hours, we value your home and make you a 'Sell House Fast' offer.
- You decide whether you want to sell your home quickly. If you do, we send out an agreement for you to sign.
- We contact our team of lawyers and we act immediately to stop any repossession orders on your home if there is one, then we begin the process of buying your house fast.
- The house sale can exchange within a few days for urgent cases and complete shortly after.
- We pay off your outstanding mortgage and any lending fees you may have incurred. The remainder of the proceeds from the house sale will be deposited into your bank account as instructed by you. If you have asked us to pay off any unsecured loans we will also handle this at the same time.

Fast house sales are stress-free with Easy Move 24's home buying team. If you would like us to help you sell your home fast get in touch today.
